## AUDITION!

2009-2010 SEASON

Tuesday, September 8, 2009

The SCCYS rehearses in the Georgiana Bruce Kirby School from 6:15 PM to 8:30 PM on Sunday evenings, September through May. Rehearsal time includes both full orchestra rehearsals conducted by Maestro John Larry Granger and sectional coaching with professional symphonic musicians.

The upcoming season of the Santa Cruz County Youth Symphony season promises a year of rewarding musical performances and challenging rehearsals - opportunities for students to enjoy making exhilarating music with their peers. The season will include a regular orchestra concert, a family concert played side-by-side with the professional musicians of the Santa Cruz County Symphony, and the season will end with a joint concert with the Honors Orchestra of Monterey County. All members are invited to participate in the annual concerto competition, which will be held September 13, 2009.

### **Auditions for SCCYS will be held on September 8<sup>th</sup> of 2009.**

The applicant should be prepared to play any major scale with up to four sharps or four flats, and to bring a prepared piece or etude no longer than three minutes in length, that demonstrates his/her ability. Sight-reading will also be required. Because of the level of skill required to play orchestral music, an individual's skills and attitude are the primary requirements for admission, rather than age or years of playing. However, candidates must be 20 years old or younger, and be prepared to make a sincere commitment to full rehearsal and concert program participation as well as private study and practice.
